

January 26, 2017

Dear Earth Day Supporter:

From recycling a newspaper to working towards environmental preservation, everyone can make a difference on Earth Day. Every year, **Stony Brook University** holds an exhibitor fair during our annual Earthstock festival to help educate and collaborate with the community on how to lead more eco-conscious lives. We will host the exhibitor fair on **Friday, April 21**.

What can *you* do? The first step is to join us at **Earthstock 2017!** The exhibitor fair serves as an educational event for students, faculty, staff, and the local community. Participation in Earthstock gives your organization or department the opportunity to showcase itself to over **36,000** members of the Stony Brook campus community as well as provide an affiliation with a leading public research university.

Further participation details and benefits are given on the attached pages. The deadline for table reservations is **Monday, April 3, 2017**. Please note that as of January 1, 2016 Stony Brook University is now tobacco free. This includes all tobacco products, including e-cigarettes. For more information, including disability-related accommodation, contact Taylor Bouraad, Earthstock Committee, at (631) 632-7320.

We look forward to seeing you at Earthstock 2017!

Sincerely,

Taylor Bouraad
Chair, Earthstock Exhibitors Committee
