**Follow-Up Survey: Spring 2023 General Education Assessment
May 7, 2024**

Dear Deans and Department Chairs,

I am sharing an advance copy of the below message and brief survey going to faculty who participated in the Spring 2023 General Education (SBCs) Assessment.

As part of our ongoing commitment to promoting a culture of assessment, the attached survey created by the Assessment Council will be distributed to faculty who participated in the Spring 2023 General Education Assessment.

The assessment, aimed to assess the effectiveness of our general education curriculum, relied heavily on the dedication and expertise of our faculty members. The survey will allow us to gather feedback on their experiences, reflections on the assessment process, and insights into any modifications made to their teaching practices or course content as a result of their involvement.

The survey will open tomorrow, Wednesday, May 8th and close on Friday, May 24th to give faculty time to complete after commencement. Thank you for your attention to this matter. If you have any questions or require further information, please do not hesitate to contact me.

Best,
Catherine Scott
