2025 DoD Cohort Program

Description: The DoD Cohort Program will prepare a select group of up to 20 Stony Brook faculty members for grant submissions to DoD by Summer 2026. Members of the cohort will receive strategic advising support from McAllister & Quinn, tailored prospecting and program contact identification, and additional support from the Office of Proposal Development team.

Deadline: Submissions must be submitted **no later than 9 am on Monday, June 2, 2025**, via the [DoD Cohort Program Portal](#) in InfoReady.

[Learn more about the DoD Cohort Program](#)

This program was announced at the [Positioning Yourself and Your Research for Success with the Department of Defense webinar](#) on April 30, 2025. Resources from this webinar, including the Zoom recording, a copy of the presentation given by Kelsey Hassevoort of McAllister & Quinn, and DoD Program Intelligence Guides, are now available in the workshop section on the [OPD SharePoint site](#). Please be sure to use your [stonybrook.edu](#) credentials to log in.

Climate Tech Fellowship

Sponsor: NYCE

Description: The Climate Tech Fellowship is designed to empower early-stage climate tech innovators by providing mentorship, funding, and access to a broad climate tech ecosystem. Fellows will gain practical entrepreneurship skills through expert-led modules, 1:1 mentorship, and tailored support, along with networking opportunities with investors, policymakers, entrepreneurs, and strategic partners. They will also receive dedicated support for developing business models and advancing their innovations—with the ultimate goal of accelerating their journey from lab to market.

Deadline: June 8, 2025

Active Limited Competitions and Canvasses

Please note that we are currently in the process of transitioning our limited competitions process over to [InfoReady](#). You can sign into InfoReady using your Net-ID and your [stonybrook.edu](#) email address. Please allow sufficient time to familiarize yourself with the portal prior to submitting.

Recent Federal Executive Orders and other federal actions affecting federally funded research have resulted in changes to some federal funding opportunities. Consequently, we may need to update our posted limited competitions to remain aligned with these ongoing adjustments. We encourage you to check [our website](#) regularly for the latest updates, in addition to canvass and internal competition details and instructions.
