The plan must cover a specific span of time, and detail specific goals and objectives.
- **Goals and Objectives:** Describe the specific skills, knowledge, and techniques the student will learn or apply; how the student will achieve the goals set out for his or her training; and the training curriculum including the timeline.
- **Employer Oversight:** Explain how the employer provides oversight and supervision of individuals filling positions such as that being filled by the named F-1 student. If the employer has a training program or related policy in place that controls such oversight and supervision, a description of this program or policy may suffice to answer the question.
- **Measures and Assessments:** Explain how the employer measures and confirms whether individuals filling positions such as that being filled by the named F-1 student are acquiring new knowledge and skills. If the employer has a training program or related policy in place that controls such measures and assessments, a description of this program or policy may suffice to answer the question.
- **Additional Remarks.** Provide any additional pertinent information.

SECTION 6: EMPLOYER OFFICIAL CERTIFICATION:

- **Certification of Official with Signatory Authority:** The individual who signs this Certification need not be, but can be, the same individual who signed the Employer Certification in Section 4. An employee with signatory authority for the employer should review the certification and affirm the statement by signature. On the material change certification (#4), please note that material changes in the plan can include (but are not limited to) the following:
 - Any change of Employer Identification Number resulting from a corporate restructuring,
 - Any reduction in compensation from the amount previously submitted on the Form I-983 that is not tied to a reduction in hours worked,
 - Any significant decrease in hours per week that a student engages in a STEM training opportunity,
 - Any decrease in hours below the 21-hours/week minimum required.

EVALUATION ON STUDENT PROGRESS:

- Student evaluations are a shared responsibility of both the student and the employer to ensure that the student’s practical training goals are being satisfactorily met. The student is responsible for conducting a self-evaluation based on his or her own training progress. The employer must review and sign the self-evaluation to attest to its accuracy.
- The student submits the first assessment within 12-months and a final evaluation that recaps all the training and knowledge acquired during the complete training period.
- Enter the range of the student evaluation dates (the timeline for which this evaluation is relevant).
- The student must sign, print name, and enter date of signature.
- The Employer Official with Signatory Authority must sign, print name, and enter the date of signature to show concurrence with the assessment information that the student has entered.
